

Edmonton 5 Pin Association

Don Bobinec Award

Back in early 2020, the Edmonton 5 Pin Bowlers Association created an Award that recognizes and publicly acknowledges our “unsung” volunteers, who donate their time, behind the scenes, to make the sport of 5 Pin Bowling in the Edmonton zone better.

The Award is named after the late Don Bobinec. Don perfectly exemplified what the award embodies. Don gave so much of his time back to our Association, without any fanfare. Most of his work was done in the backroom, behind the scenes. Don helped organize many Bingo, Casino and Raffles. He always had a great working relationship with AGLC, and his knowledge of the “in’s and out’s” of the Use of Proceeds Program was invaluable. With his help, the Edmonton 5 Pin Bowlers Association has grown into one of the largest and most active boards because of the foundation he helped create.

We couldn’t find any two better people to be our inaugural recipients. Both have given back to our Association time and time again with always the best interest of the Association in mind. Whether it is working Casinos, Bingos, Judge of Playing, or helping on the board, they are part of the reason why the Edmonton 5 Pin is so successful. Both are perfect examples of what Don exemplified.
